PRESIDENT'S MESSAGE

Now we are looking forward to our annual AHS Convention, which is being held at Winter Haven in June. This is centrally located, convenient for everybody and the rates are reasonable.

All ten chapters should be represented and give reports of their activities during the past year.

In addition to the regular board meeting many other matters of interest will be discussed. The election of officers and board members will be held at this time for the following year, also the place for holding the next annual Convention.

The election of officers and board members, place for holding the next annual convention will be decided by the votes of the members present. Come and cast your vote for your favorite.

The good old AHS needs your support, so come and make this convention a grand success.

There will be plenty of time for fun, and the Hospitality Hour is a wonderful time to develop new friendships among the people who have the same interests.

The flowers are good but the people who have them are WONDERFUL.

Wm. A. Squires
President
